

PIEDMONT FLIGHT CENTER STUDENT/RENTER POLICY AGREEMENT

- All renters must complete an aircraft written and flight checkout with a Piedmont CFI prior to renting aircraft.
- All students & renters must possess Aircraft Renters Insurance.
- Instruction conducted in Piedmont aircraft may only be given by Piedmont CFIs.
- Fuel reimbursement will be issued at the 2W6 fuel rate.
- Students and renters will contact Piedmont as soon as practical if they are returning later than their scheduled ETA.
- Full-Day or overnight trips will be billed at a base of 4 flight hours per day and will require prior authorization.
- Renters must provide proof of currency to rent Piedmont aircraft.
- All operations in Piedmont aircraft will be conducted at public use airports.
- Off airport/Grass runway operations are prohibited.
- Intentional spins in Piedmont aircraft are prohibited unless accompanied by a Piedmont CFI.
- Solo aerobatics is prohibited.
- Student solo at night is not authorized.
- All student solo cross-country flights will depart 2W6 with full fuel (or max allowable according to weight and balance).
- Any aircraft damage, incident, or accident will be reported to Piedmont as soon as possible.
- Students or renters are not authorized to attempt repairs on Piedmont Aircraft.
- Renters must have 10 or more hours of night flight prior to night rental. Renters must comply with FAR 61.57 (b) to carry passengers at night.
- Failing to turn off the master switch will result in charge of hobbs time or replacement of dead battery
- If students fail to provide a 2-hour notice for a cancellation with a CFI, a \$65.00 cancelation/no show fee will be charged.
- Renters must notify Piedmont of rental cancelations 12 hours prior to their reservation or be subject to a 1-hour aircraft rental fee. (Weather cancelations excluded)
